For Immediate Release

SINGAPORE, 18 July 2005 - Hills Creative Arts Pte. Ltd., the owner of the hugely popular designer portal TAXI Design Network, partners with Stamford International Media Pte Ltd, a leading printing press with international presence, to expand their services as well as widening their market reach to clients with design and publishing needs.

This partnership promises to be a effective combination that blends the high-quality design background and global creative capabilities of Hills Creative Arts Pte Ltd to the powerful printing solutions of Stamford International Media Pte Ltd. The creative community will benefit in this partnership by using the strength of both companies for their printing and packaging needs.

Hills Creative Arts Pte Ltd will be offering branding solutions coupled with creative architecture to clients and these products will be produced by Stamford International Media Pte Ltd under a high-quality control environment. Stamford International Media Pte Ltd will also be able to produce world-class designs for their clientele through Hills Creative Arts Pte Ltd. This is backed by the possibility of commissioning works from the exclusive members of TAXI Design Network.

## About Stamford International Media Pte Ltd

Stamford Press Pte Ltd was founded as Stamford College Press as part of the Stamford College Educational Group in 1963. It was restructured and renamed Stamford International Media Pte Ltd under a new management group in 1983. As we grew from strength to strength, the company spawned other companies to provide a host of services in the areas of software development and technology, as well as supply chain management to name but a few. In 2001, the Stamford Press Group of Companies was reintroduced as Stamford Media International Pte Ltd to encompass our global visions and presence.

## About Hills Creative Arts Pte Ltd

Hills Creative Arts Pte Ltd was founded in 2003 with the launching of TAXI Design Network. Like any good taxi, TAXI is a vehicle that drives any creative member within the industry to where they want to be, on time. With this strong philosophy behind their operation, TAXI has grown to be the most informative and extensive resource for the creative community that delivers and promotes creative talents via the most important medium of today-- the World Wide Web. It currently attracts up to 6.5 million page views a month and has embedded itself into the global creative community as a design staple. Our extensive coverage influences creative professionals across North & South America, Australia, Asia and Europe.
